

Employee Success Package ...designed for your well-being!

PARTNERING FOR YOUR SUCCESS

WHAT WE SELL

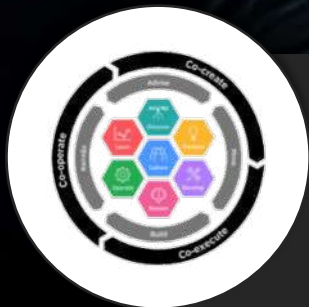

... a co-managed, human-technology partnership
(Multi-Cloud Command Center)

End-to-end co-managed services for operational viability, data & app modernization, product onboarding and customer support.

We sell, service and support IBM Cloud & Cognitive solutions to help clients create value at all levels of their business.

Since 1977

Advisory Services

We help clients rethink technology, people and processes to achieve their desired business outcomes.

Innovation Lab

We develop cloud-ready enterprise, mobile and AI applications to help clients accelerate their journey to the cognitive enterprise.

WE OPERATE AT THE INTERSECTION OF
STRATEGY, TECHNOLOGY AND CREATIVITY

Sales | Business Agility Leaders

What is the best part of the job?

"Every day is different. Every day is like an adventure and I don't have time to get bored. Some people don't enjoy their work, but it hasn't happened to me in 15 years!" – Alexandre Lanoue

SIA is the founder of the NextBlue Alliance, a network of business partners who help enterprises establish a solid, flexible and sustainable digital foundation that will increase their IT agility. Leveraging AI, the Alliance also helps clients with their digital reinvention initiatives.
